DEDICATION

From the first crude scratchings of the cavemen to the magnificent techniques of the great masters and the free expression in the work of modern day artists, man has always expressed himself through his art.

This 1959 POSTER is dedicated to Norman Phelps, who, by kindling a love of beauty and an inspiration to create in his students, has given them a gift of lasting value. We all admire him as a devoted artist and an outstanding teacher. Mr. Phelps has, in his classes, guided his students toward more creativity in their own work and toward more appreciation for the accomplishments of others.

His own talent is aptly shown in the monument that he designed which stands in the center of our town.

His willingness to help outside the classroom is recognized by all, for he gives generously of his time and his talent. The art work in every POSTER, set designs for the Senior plays, May Day decorations, and posters for everything from football games to the Junior Prom, are just a few of the projects with which he has helped.

We the class of 1959 can only hope that this POSTER can serve to express some of the gratitude we feel is owed to Mr. Phelps for his generosity and willingness to give of himself to his students.

FOREWORD

Throughout our years of high school, we, the students of Painted Post High School have participated in many various activities and achieved many goals. The purpose of this Poster is to keep forever alive the memory of these achievements and ideals of this past year against the forgetfulness of time. It is our sincere wish that these memories of successes and of failures will help to serve each individual in developing his potentialities to the greatest extent for success in his role in school and his role in life.

Dr. Venn

Public education has two main functions. First, to develop an informed, educated electorate so that the majority can make wise decisions in a democracy. This is why all people pay taxes to support the public schools whether they have children in the public schools or not. You seniors will soon have this responsibility yourselves. In today's world, most of our country's leaders have recognized that education is the first line of defense for national security.

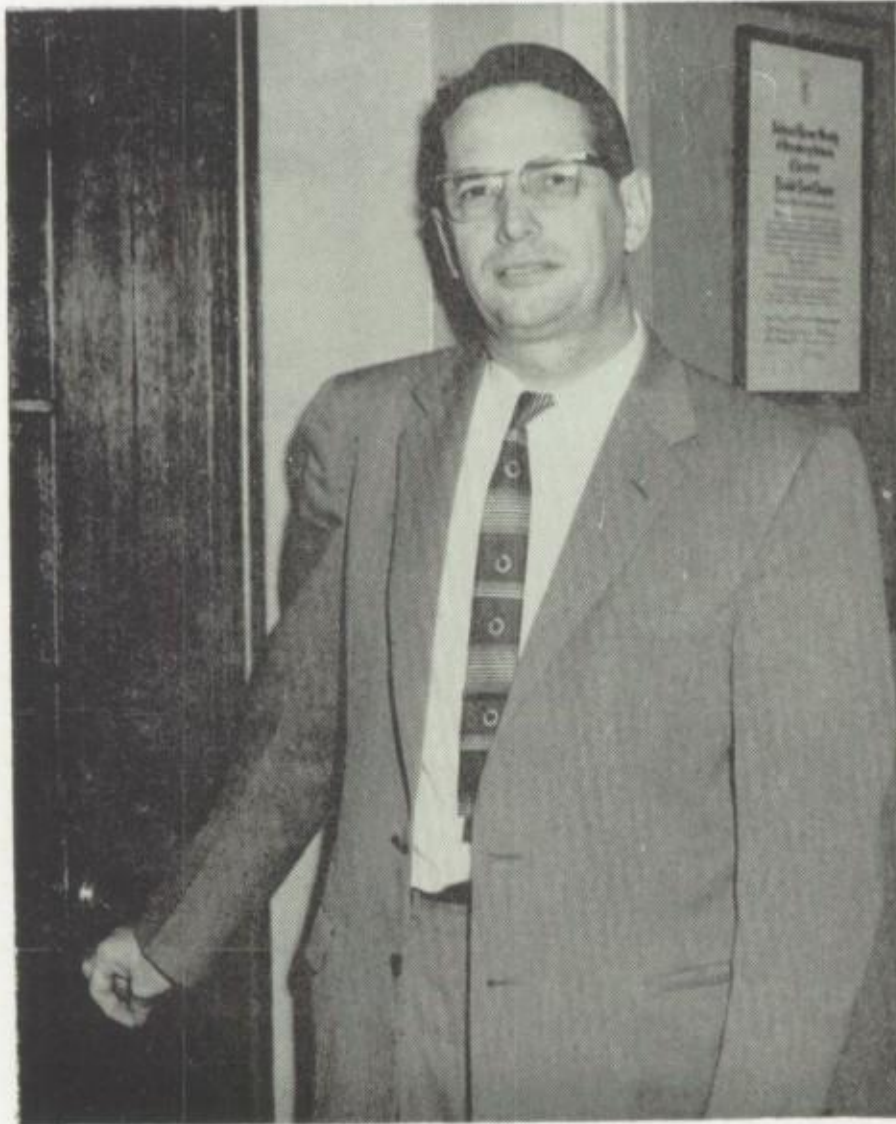

The second purpose of public education is to develop the individuals who are attending public school so their full potentialities are used. This is something that everyone of you as seniors has received as a direct benefit. Your responsibility to see that younger people receive this same opportunity will be yours as long as you are a citizen in this country. Your ability to produce and function effectively as a working member of our society will be the way which you repay this debt.

Good luck to each of you who are seniors and may you recognize the opportunities that lie ahead for you.

To those of you who will be returning to the Corning schools next year, we believe we will have better educational programs for you and we expect that you will continue to do a better job of improving your education.

Grant Venn
Superintendent of Schools

Mr. Harrison

Personality is that which makes a person. Education's purpose is to make us a better person, a better citizen of our group.

For most of you your education has just begun. Whether your plans are for more formal education, a job, or a family career, make the best use of your opportunity in the years ahead. Whatever choice you make, today's world will expect the best you can offer. This is your challenge of the future.

You, as students, owe it to yourselves, your family, and your community to accept this challenge.

Good luck and much success!

My year in the United States is closing all too quickly now and I hate to think of leaving Painted Post and the good friends I have made here. Being able to live with one of your finest families, to go to your school and to take part in a great variety of activities in and out of school have made me feel that I have not been a guest or a stranger but one who belongs.

While I have been here I have told you something of my homeland and our way of life there, similar in many ways to that which you enjoy here. We speak the same language, believe together in democratic government and we share with you many same material advantages, the measure of a high standard of living. I have told you about our differences too, our distinctly British heritage and culture, our strange and sometimes conservative attitudes and customs, our scenery,

our recreation and our very different system of education, with boys and girls attending separate high schools.

At the same time you have made me part of your community and I have been learning how American people really live, what they do in their work and play and I have gained some knowledge of those attitudes and conditions which are so often misunderstood in my own and other countries.

You the students and people of Painted Post have made my year with you an unforgettable one. Back in New Zealand I can not think of the United States as some other country but as a second home.

HISTORIA CLASSIS MCMLIX

We donned our virili, or togas of manhood, as we entered high school in 1955. Immediately, these young citizens were known as we elected Walter Tomb as president and chose Jack Wylie, Joyce Palmer, and Nancy Westover to assist him in his governmental duties. We decided to ask Mr. Robert Wallace to act as our advisor. For senatus, we selected Ursula Schulz, Jack Kelly, Robin Warden and Cliff Ellison.

Slowly our members became a part of Roman government. Our classmates were active in Latin Club, choir, and other organizations. Our Cicero was Kathy Sanford, who represented the entire school in an oratorical contest.

As we began our climb up the cursus honorum, we were now allowed to vote in the Circus Maximus. In our sophomore year we selected these officers: Jack Kelley, Ursula Schulz, Ginny Holderbach, and Al Hemly. Senatus included Joyce Palmer, Linda Lyon, Don Borden, and Butch Tomb. Coach McGill was our advisor.

This year our aediles were excellent and the entertainment was at its best. We sponsored the Shamrock Hop, which was a real success, and had a picnic at the end of the year.

We now entered the ranks of high-class citizens and wore togas with a narrow purple stripe. We asked Mr. Rossi to help us through the next difficult times. Our consul was Jude Nitsche and Ursula Schulz was his assistant; Ginny Holderbach was scriba and Donna Kay Dennis acted as quaestor.

The Washington trip was coming and we began to prepare for it. Butch Tomb acted as Christmas Card Chairman and we netted over \$1000. This broke all previous records and we were now allowed to join the wealthy, or equities, class.

Our weight was felt in sports also for our Gladiators were some of the strongest. Ralph Blencowe, Al Hemly, Cliff Ellison, Bob Halm, Butch Tomb, Dick King, Dave Erwin, Dave Johnson, Fred Lee, Ken Doud, Don Borden, Olin Dobson, Gerry McUmbler, Herb Kimble, Robin Warden, Joe Strzepek, Brenton Bradly, Dick Swan, Jack Wylie, Jim Rigby, Denny Robinson, Jude Nitsche, and Joel Sundquist have all had their names on the line-up for one sport or another.

In the annual magazine drive our class again broke the former records. Carol McChesney was the top seller in school history.

Our cives were active in Footlight's Society, FTA, FHA, FNA, and GAA. Sports were still popular and we gave the plebs a good show. Cheerleaders from our class included Joan Hadlock, captain; Ursula Schulz, Ginny Holderbach, Judy Randels, Donna Jones, and Carol McChesney.

Joe Strzepek and Kent Tiffany handled our liber and published an unforgettable POSTER. Kent also took command (as did Caesar) and set out to conquer the Germani. He made an outstanding AFS representative from our class. Joe was sent as legatus to Boy's State where he took part in the large forum. Robin Warden became Rex of the May Ball and Jeanne Stratton was his Regina. Their Clientes were Ginny Holderbach, Ursula Schulz, Judy Randels, Butch Tomb, Ralph Blencowe, and Jack Kelly.

As we entered our senior year most of us were eligible to be senatores and wear a wide purple stripe. We made no changes in our leaders except that Butch Tomb was elected vice-president. Our delegati to the senate were Robin Warden, who became president, and Ralph Blencowe. Brenton Bradly also participated. He is our foreign student from a region farther than Gallia — New Zealand.

When the student council was formed, five of our classmates were selected. They were: John Watson, vice-president of the council, Bill Jones, Sandy James, Beth Payne, and Gerry Grace.

Athletics played an important part in our class. Cheerleading was capably led by Carol Ann Carpenter, Susan Dalrymple, Mary Lou McChesney, Sandy Truesdal, Ruth Corson, and Donna Lynn Clark.

Playing their parts in athletics were Glenn Cross, Ray Hakes, Fred Osborne, Gerry Grace, Skip LeBaron, Bill Scouten, John Watson, Brooks Bucher, Joe Smith, Doug Campbell, Larry McAllister, Fred Chandler, Lou Belcher, Bob Heck, Bob Phenes, John Vanderhoef and Bill Jones. As you can see, we are proud of these boys.

In the field of music, we were very talented. Many of our classmates were actively engaged in choir and band. We are proud of these too.

We started our Christmas card sales soon after getting situated. We did a wonderful job and our success was excellent. Larry McAllister was our high seller. We hope the following classes will be as successful.

Our May Ball was successfully held this year. Our class worked hard and they all did a fine job.

Our contribution to the seniors is this yearbook. All of the staffs worked hard. We give special thanks to John Innes, our editor-in-chief, Charles Carlton, our business manager, and last but not least, Mr. Albert Kershner and Mr. Carlton Brown.

Thanks again!

We hope that the future classes of PPHS will do a wonderful job, as we look forward to our last years in the hallowed halls of PPHS.

CLASS OF 1961

Our second year in the wonderful world called "high school" started with a bang that lasted all year long. Our members were seen in nearly all school activities. We chose as president, Gregg Lacy, with Kathy Parker helping him with all affairs. Our important records were kept by Bernita Ferris, while its financial situation was in Dick Knapp's hands. Mrs. McGill was selected as our able advisor on important affairs. Representing our class on the Student Council were Ruth Ann Cusworth, Bernita Ferris, Nancy Sarrett, Marilyn VanDusen, and our president Gregg Lacy.

Our major social activities began with a successful dance-party held in January. To round up all our laughter, jokes, and tears in our second year, we held a rollicking class picnic.

At least one or more sophomores were seen in all school sports. As for the major sports, varsity football saw Jerry Hadlock, Neil Dobson, Joe Kozlik, Dick Lewis, Ed Hall, Dave Crowl, Wayne Bortle, and the J.V.'s also saw much action from sophomore boys. In basketball, we see such sophomores as Jerry Hadlock, Neil Dobson, Bill Voight, and Bill Wylie. This year was indeed an eventful one as the council undertook many new tasks and worked to carry on traditional activities.

The first project of the year was re-using the handbook which was given to the freshmen. The council also started a school store

which was in operation in the morning and afternoon. Exchange assemblies for the other schools in the district were also organized by the council. The main project of the year was the awarding of pins to give recognition to students excelling in scholarship. The end of the year saw a beautiful Mayday at Painted Post. The council was in charge of the annual affair and did a commendable job in executing it.

In conclusion the following people were appointed to the Tri-Student Council: Beth Payne, John Watson, Brenton Bradly, Ralph Blencowe and Jude Nitsche. John Watson was elected vice president of that body.

Historian ----- Betsey Johnson

The purpose of the Junior High Student Council is to practice self-government in the Junior High School; to encourage, co-ordinate and regulate all extra curricular activities; to develop student responsibilities; and to provide effective training in citizenship through pupil participation in the government of the school.

One of the ways we carry out these purposes is to sponsor the social activities of the junior high. These include several supervised dances in the evening, in the gymnasium; and a series of noon-hour dances for

instruction and practice; and a Christmas Tea for the faculty. During the year the council sponsors several assembly programs. This year, also, we have conducted several locker inspections to promote good housekeeping and encourage students to bring their locker keys.

The council has also participated in the May Day program, assisting the Senior High Student Council.

All of these activities help us to gain experience that will be of lasting value.

The Footlights Society, first under the direction of Mrs. Betty White and then Mr. Richard Reynolds, has had a year of accomplishment and stimulating ventures.

The club had several interesting programs in its monthly meetings. Mr. William Guntrup and Mrs. Leona Stern from the Corning Workshop Players presented demonstrations in the art of applying stage make-up at one of these meetings. At another, Mrs. William Droege, who is well-known for her talent as a monologist, gave an excellent performance.

Several members of the club attended the play **Damn Yankees** which was presented by the students of Ithaca College.

This year, for the first time, the Footlights Society was called upon to provide part of the Tri-School Student Council Exchange Assembly Program. Six members of the club; Joel Sundquist, Karen Johnson, Jude Nitsche, Cathy Sanford, Jeff Shopoff and Sherry Richardson were in the comedy "Ghost A la Mode." This play was well received at C.F.A. and N.H.S. and at our own May Day.

The officers of the Club for this year are: Joe Strzepek, president; Karen Johnson, vice president; Debby Hall, secretary and George Randels, treasurer.

Faculty advisor is Mrs. Nedra Callard.

Junior Dramatic Club was organized in the spring of 1958. Its purpose is to promote a better understanding of play acting and play production. All members are required to participate in both activities during the year.

Meetings are held twice a month. A dramatic program is presented at each one. A junior high school assembly program was presented by the club. A play entitled "Home Work" was given. The cast included Janet Zimmerman, Lynda Clark, Jan Kimber, George Haring, Tommy Slade, and Rawn Weigel; Gayle Dobromil was student director.

Members of the club hope that through experience in junior high school they will be better prepared in participating in senior high dramatic activities.

The main project has been raising money for the Mary Agnes Murray Memorial Fund. Contributing to this project were a car wash and a bake sale. Also, using the theme of Friday the 13th, the club sponsored a lucky Horseshoe Tag Day, followed by a successful dance in the gymnasium, "Roamin' Omens." The amount raised from these projects for the fund totaled \$220 which will be contributed to the American Field Service to help send a student abroad for the summer of 1959.

POST SCRIPTS STAFF

During the early part of this school year, the school newspaper, 'POSTSCRIPTS', was re-formed under the guidance of advisor George Oliver. Elected to guide the group were William Scouten, editor-in-chief; Beth Marsden, business manager; Jeff Shopoff, sports editor; Cora Woodhouse, feature editor; Joan Hadlock, news editor.

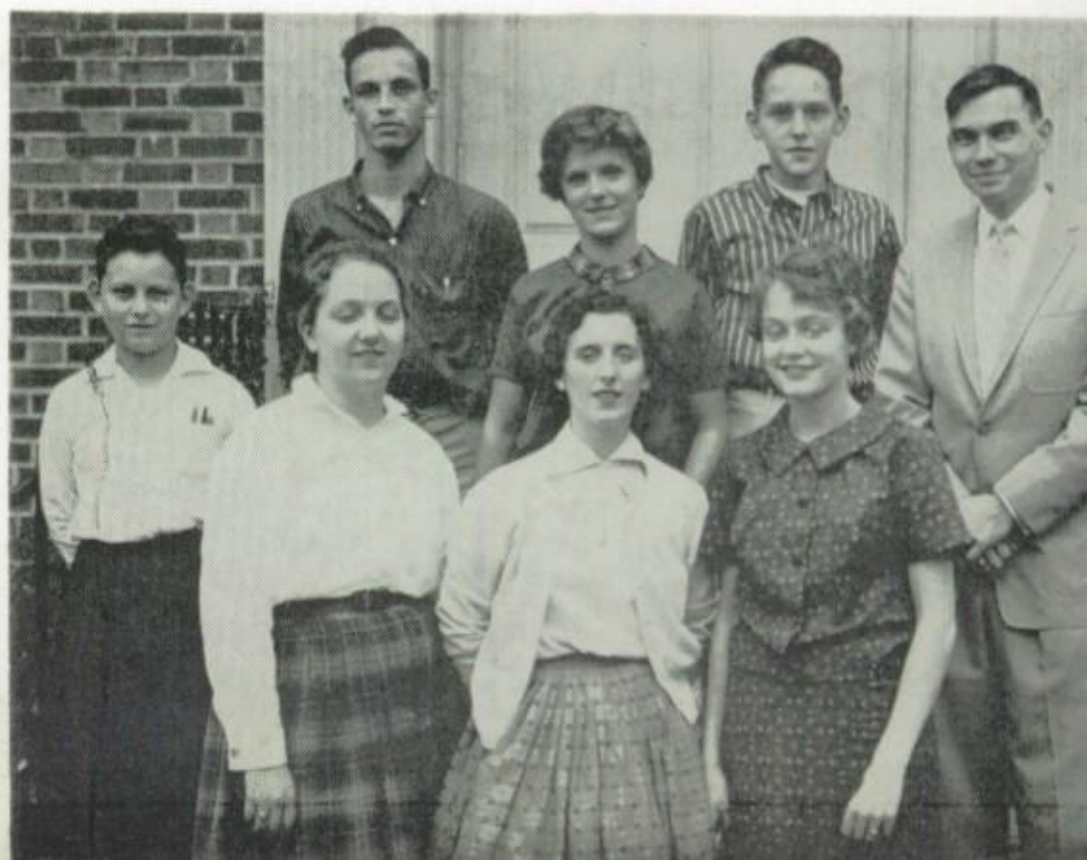

Our year has been very successful. All

of those who are associated with the paper put their hearts into their work and turned out a fine job.

There were sixty entries in the Short Story contest which was designed to stimulate interest in the paper and in creative writing at Painted Post. The staff is grateful to all the people who made our Short Story contest a success.

The club had twenty-eight members. The new members were formally initiated at a dinner.

Among this year's activities, were: aiding at several P.T.A. meetings, a tea given for the area F.T.A. members, a formal initiation in a school assembly with guest speakers, Bob Simmonds, and Peter Goliber. Most of the members "practice taught" during the year in an attempt to further their knowledge of teaching.

LIBRARY COUNCIL

This year the girls on council have worked efficiently checking books in and out of our school library. With the commencement of school last fall, Ginny Holderbach was elected president, with Barbara Abernathy and Joanne Kittner as vice-president and secretary-treasurer, respectively, while Miss Cloos,

our librarian, served as advisor. In addition to the library work, the group held the Faculty Tea during Book Week, and also enjoyed another annual Christmas party. They plan to round out this year's activities with a picnic at which the new members for next year will be guests of honor.

F.N.A.

The purpose of the Future Nurses of America is to prepare students for their future college training as nurses. This club promotes cleanliness, co-operation, and understanding of others.

This year the club visited three different types of nursing schools. These were Willard State Hospital, St. Joseph's School of Nursing of Elmira, and Alfred University. The annual tea and the reward of club pins was in February.

MAJORETTES

We are very proud of our majorettes this year led by their head majorette, Donnalynn Clark. An outstanding exhibition was put on at the Northside-Painted Post football game where they burned a Northside Tiger in effigy while our senior warriors — Sue Dalrymple, Donna Jones, and Sylvia Wilder — and our junior braves — Marge Culp, Carol Ann Carpenter, Karen Schweitzer, and Renee Conroy, did a war dance around a fire. They also made their first appearance with lighted batons this year. These were obtained by a dance sponsored by the majorettes.

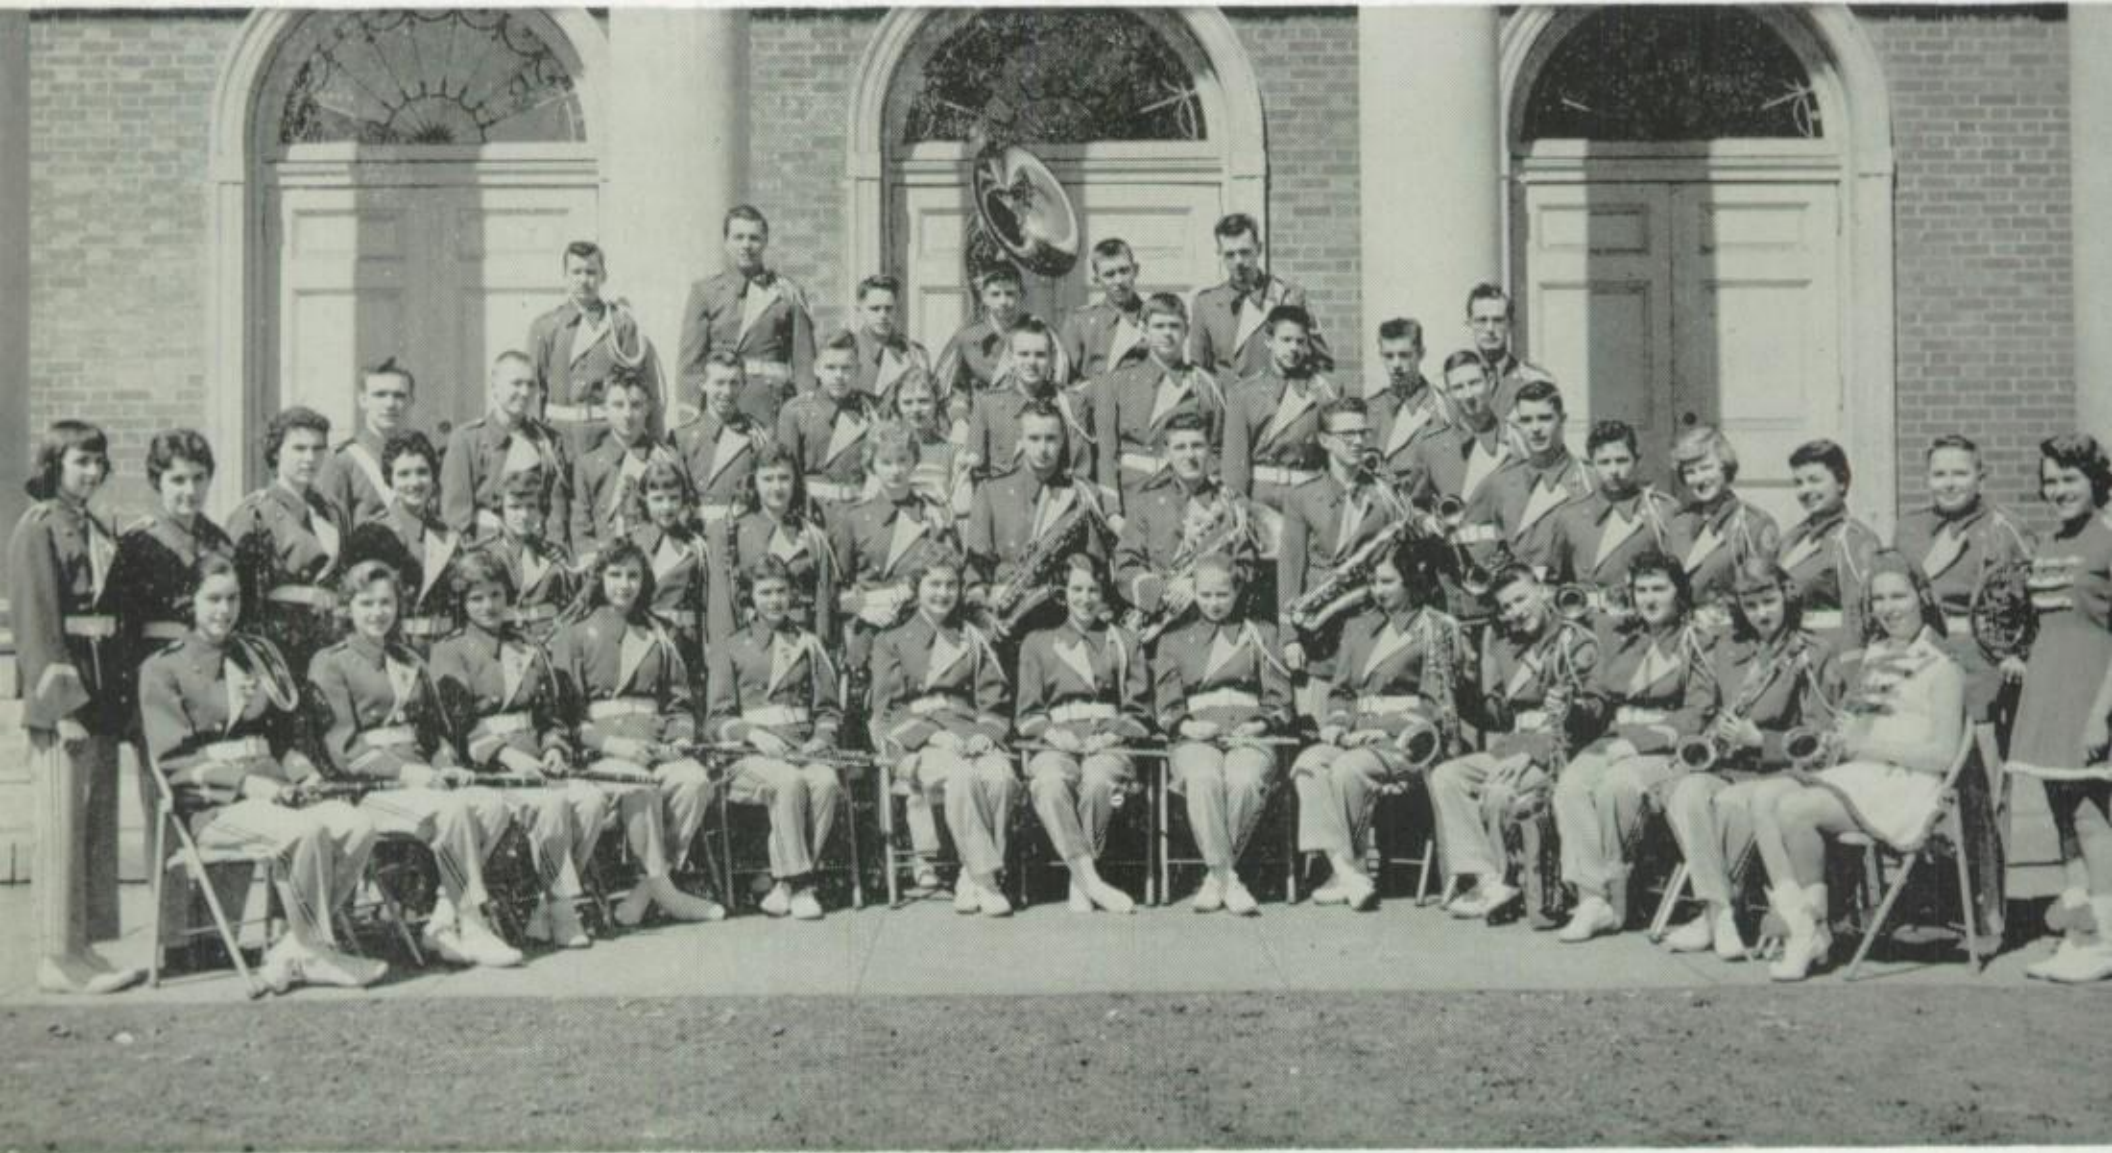

The many events that took place made it a very exciting year for the girls. Among these were the personal appearances of Governor Harriman and Governor-elect Rockefeller and the choosing of a United Fund Queen. Two other annual events were the Spring Concert and the Memorial Day Parade. The majorettes were on hand to highlight all of these affairs.

SENIOR PLAY

This year the comedy **Onions in the Stew** by Betty MacDorald was presented by the senior class. This play concerned the problems of a modern family as they moved to a new home on Vashon Island. It was under the direction of Miss Jean Studley and Miss Suzanne Tharp. Donna Kay Dennis was in charge of properties. The scenery was constructed by John Wylie and Roger Cole who also prepared the sound effects.

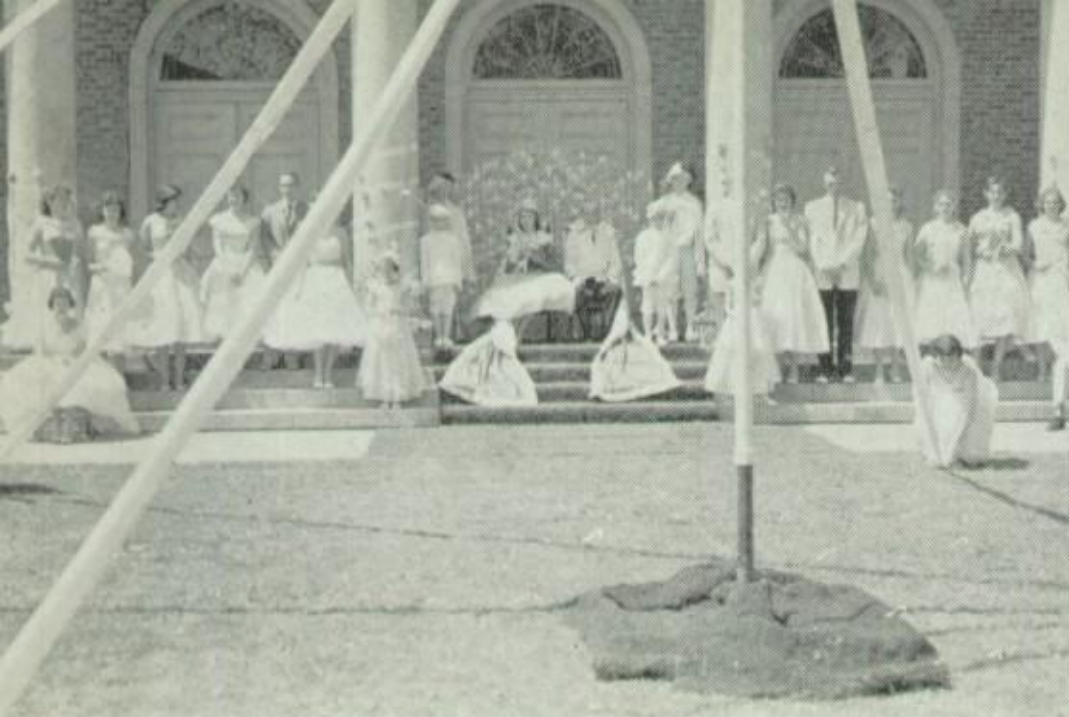

The cast consisted of the harried mother, Betty, played by Cathy Sanford and Barbara Abernathy; the patient father, Don, played by Brenton Bradly and Kent Tiffany; the oldest daughter, Anne, Virginia Holderbach and Ursula Schulz; the younger daughter, Joan, Judy Randels and Carol McChesney; and a neighbor, Claire, enacted by Jeanne Stratton. Also with major roles were the boy friends. Howard was played by Robin Warden and Jude Nitsche; Roger by Donald Borden and Richard Swan; and Claud by Richard King

and Joel Sundquist. The glamorous Lesley was portrayed by Kathie Knowles and her pretty niece, Margo, was played by Donna Jones. The plumbers, Mrs. Walter's Harry, New-Motor Marvin and Mr. Curtis were played by Richard Estep, John Wylie and Walter Tomb. Mrs. Curtis was Cora Woodhouse. The weekend guests, Lyda and Jim, were Donna Kay Dennis and Fred Lee. Their daughter, Dottie, was Linda Lyon. The Murrays were Al Hemly and Deirdre Ames. The teen-age girls, Bee Gee, Kitsie, and Salsie, were played by Sylvia Nelson, Cynthia Marsden, and Bonnie Abbey. Linda Furney played the part of Miss Garvey, the social worker. Cliff Ellison took the part of Grover, the sailor, and Joseph Strzepek completed the cast in the role of the Old Buddy.

MAY DAY 1958

Painted Post's third annual May Day was held in front of the auditorium. Many students and adults gathered around as Jeanne Stratton and Robin Warden were crowned Queen and King respectively. The procession was a wonderful sight. The heralds, pages, flower girls, attendants and those who participated made this May Day a memorable one. Music and acts furnished the entertainment. The Queen's attendants were Judy Randels, Ursula Schulz and Virginia Holderbach. Ralph Blencowe, Butch Tombs, and Jack Kelly attended the King.

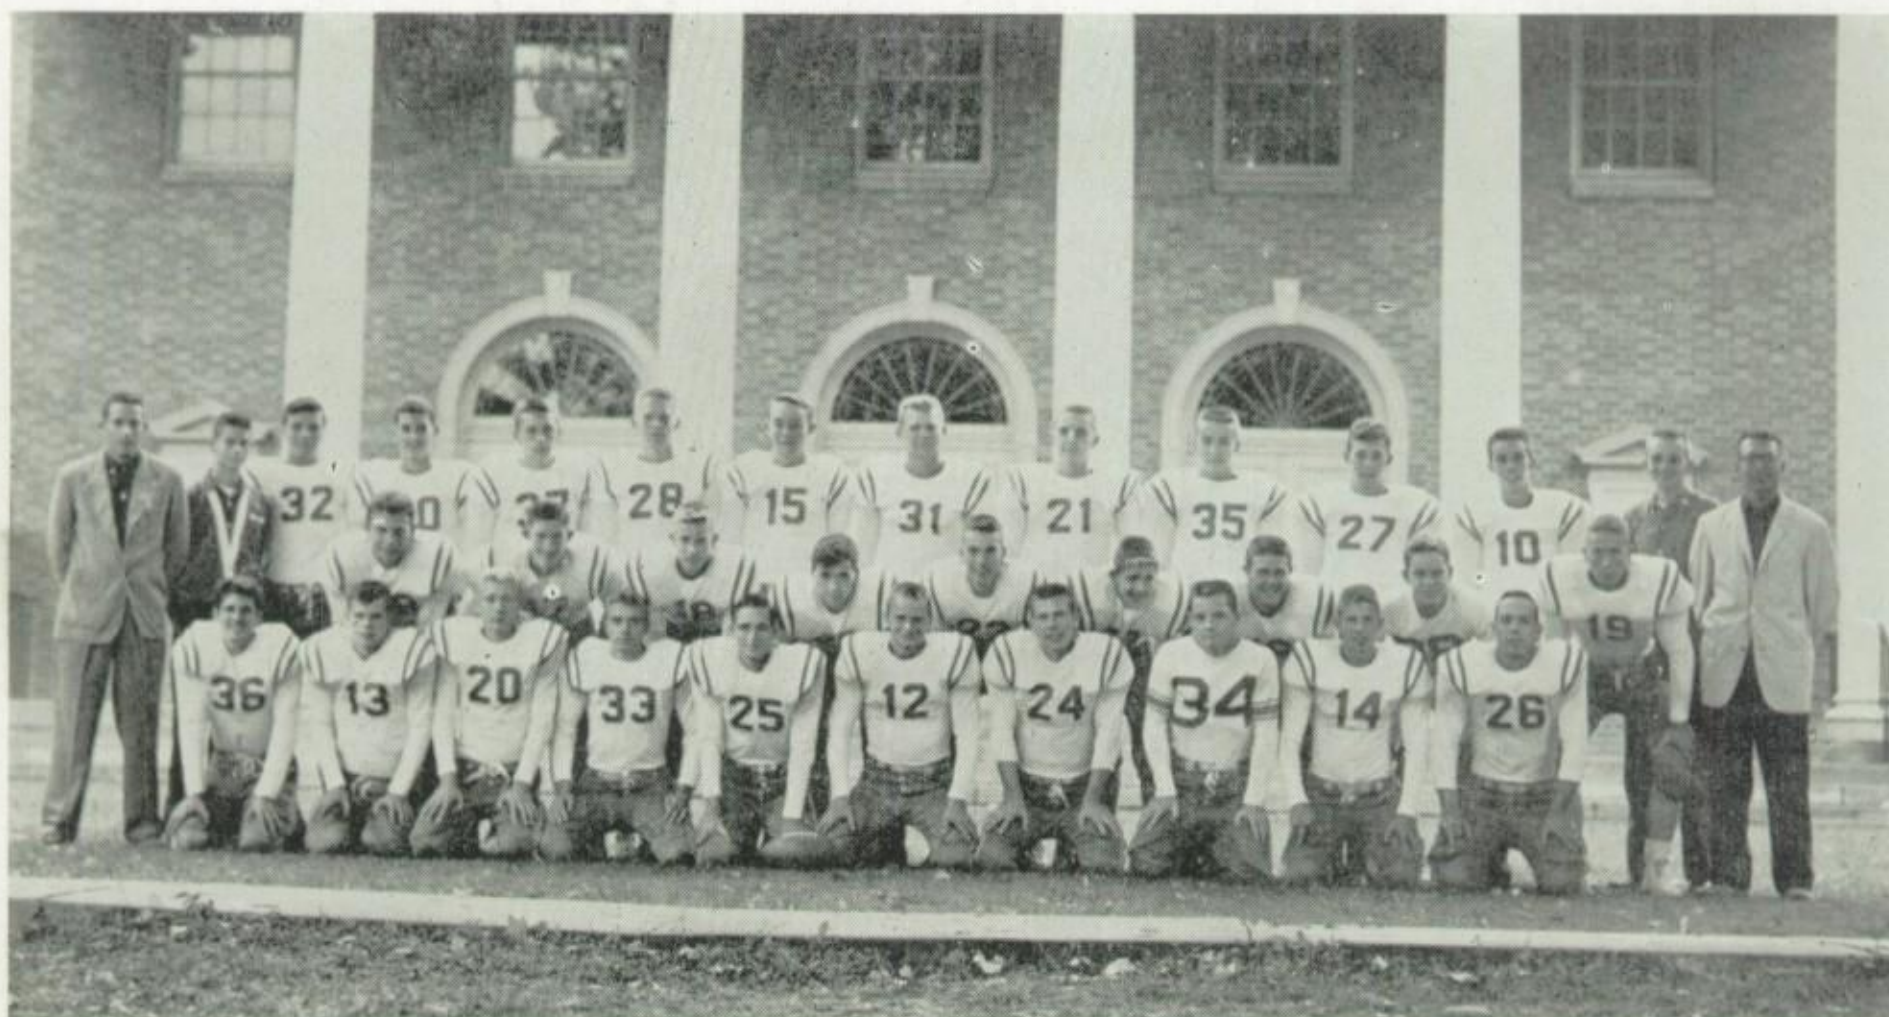

Thanks to everyone who made this such a successful May Day. We hope that each succeeding class will have as much success with their May Day.

SPORTS

VARSITY FOOTBALL

- Row 1: Fred Chandler, Dennis Kohler, David Crawl, Maynard Cornell, William Scouten, Robin Warden, Larry MacAllister, Kenneth Doud, Neil Dobson, Walter Tomb.
- Row 2: Fred Lee, Gerald Hadlock, Donald Buck, Ed Hall, Richard Lewis, Wayne Bortle, Carl LeBarron, Robert Heck, Olin Dobson.

The Painted Post football team of 1958 showed an improvement over last year's record by posting a 3-5 mark. The team was one that the school could be proud of.

In the first game of the season, we lost to Waverly 20-0. Then the team pulled together and played two fine games, winning over Horseheads 16-6 and losing to Elmira Heights in a very exciting contest, 13-6. The next games we would like to forget because we lost three in a row — to Corning Free Academy 32-7; Corning Northside 44-0, and Owego 19-6. We then got back on the winning trail, traveling to Arcade where we played them for the first time and walloped them 46-13.

In the annual "jug" game we won a hard-fought battle over arch-rival Bath, 19-13. This was the fifth straight year that the jug was at Painted Post, thus setting a record.

With many returnees and an excellent coaching staff, headed by coach Mr. Bellardini and his assistant Mr. Scala, the prospects for a better record next year are fine.

JAYVEE FOOTBALL

- Row 1: Carl Huber, Ernie Schooley, Jim Scouten, Joe Smith, Gary Welty, Dave Watson, George Hakes, Ron Jenks, Dick McKay, Bill Randall.
- Row 2: Bill Hall, Tom Hetrick, Otis Eldridge, Charles Loudenslager, Frank Curreri, Ken Kelly, Bill Koslik, Jerry Pease, Gary Bartlett, Gary Hemley, Joe Bement.
- Row 3: Gregg Lacy, Coach Mintz, Larry Ford, Gary Orr, Stan Lester, Roy Woodhouse, Bill Johnson, Winston Hill, Robin Elder, Alan Besley, Dick Weibel, Dick Corson, Coach Rhodes.

This year the Post J. V.'s lost 4 of 6 games, losing to Northside 38-0, and Elmira Heights 27-0, C.F.A. 26-12, and Horseheads 12-0, while dropping Bath 6-0 and tying Watkins Glen 0-0.

Considering the teams played, the Indians did very well and they have hope for a better season in 1959.

The Indians enjoyed a successful '58 baseball season with an overall record of 9 wins and 7 losses while proceeding all the way to the final in Sectional playoffs.

In their first game, they were defeated 10-0 by a strong Elmira Heights team but in the following game, they came back to trip Addison 4-3. This victory was followed by a 10-1 defeat from C.F.A. The Indians won four straight games. The first was a 10-0 victory over Canisteo which was followed by a 14-7 win over Addison. Wayland was then blanked 12-0 and Bath was tripped 3-1. A 6-2 defeat by C.F.A. was then followed by a 6-0 victory over Bath. Canisteo and Northside then came on to defeat the Indians 9-6 and 9-3 respectively. However, the Indians fought back and dumped the Wayland Eagles 10-1. In the last of their regular season games, they were again beaten by Elmira Heights, this time 6-2.

After winning the Steuben County Class "A" Championship with a record of 5 wins and 1 loss, the Indians nipped LeRoy 2-1 in the quarter-finals played at Mt. Morris. They then proceeded to the semi-finals at Corning Stadium where they beat a strong Waterloo team

5-4 in a very exciting game. From there they went to the finals at Red Wing Stadium in Rochester where they were finally defeated 2-1 by a too powerful team from Clyde.

For the second straight year, the Indians failed to enter sectional play as they lost three of their six league games. Two games were lost to Canisteo with a two point margin in both games. The other loss was a one point loss to Wayland.

The season was opened on a happy note as the Indians beat Addison twice, 48-23 and 59-39. Between these games the Indians lost to Penn Yan 50-52. They then came on to edge Hornell 57-58 and Elmira Heights 59-58. Wayland and C.F.A. were then downed 57-44, and 46-38 respectively. A 46-48 loss to Canisteo was followed by a loss to C.F.A., 62-54. The Indians then came on to whip Bath 53-31, Northside 53-44, and Elmira Heights 49-45 — only to be edged out by Wayland 57-58. Penn Yan and Hornell were the Indians' victims as they were toppled 63-49 and 64-53. Canisteo then came on to edge the Indians 51-49. Bath was then beaten by a score of 66-28. In their final game the Indians were beaten by Northside 50-67. With a little more luck, the Indians might have had a better record as four of their six losses were in overtime with no more than a two point margin.

Although five fine players will be lost this year, there is still plenty of talent left which, coupled with the upcoming jayvees, should yield a winning year.

This year the jayvees ended the season with a commendable 14-4 record, one of the best records ever seen at Painted Post.

After winning their first three games, they lost two games to Hornell and Elmira Heights respectively. Again they won three in a row, only to be defeated by C.F.A. After another three-game win, they were stopped by Wayland. They finished the season nicely by winning their last five games.

With the aid of new talent and the experience received by the jayvees, another winning season is in sight for 1960-1961.

Row 3: Ernie Shaut, Larry MacAllister, Don Borden, Ed Hall, Dick Lewis, Maynard Cornell, Fred Lee, Bill Scouten, Dave Potter.

The Painted Post matmen, under the guidance of Coach Albert Emmi, won only two of their fourteen matches in their '58 season. But, considering the size of the schools wrestled, the record looks better. The two wins were over Hornell and Elmira Heights.

Post, however, did produce two county champions. They were Ed Hall and Larry McAllister. Both boys received the "Most Outstanding Wrestler Award."

With the loss of only a few men, next season should be a comparably better one for the matmen.

Row 1: George Randels, John Innes, Robert Dalrymple, Gordon Mallett, Joel Sundquist, Gerald Reagan.

Row 2: William Knapp, William Jones, Ronald Quigley, Mr. Park, coach, Jude Nitsche, Joe Klepaz.

The '58 Tennis team under the guidance of Mr. Park, enjoyed a very successful season with nine wins and no losses, defeated C.F.A., Northside, and Horseheads each twice and Addison three times. With this 9-0 record, they won the County Championship. Ron Quigley and Bob Dalrymple won the County Doubles for Post to represent us at Rochester.

With plenty of talent left, another successful season is in sight for next year.

TRACK '58

Row 1: Wayne Bortle, Richard Corson, Richard Knapp, James Scouten.

Row 2: Don Buck, Kenneth Doud, Clifford Ellison, Walter Tomb, Ed Hall, Maynard Cornell, Robin Warden, William Hall, Greg Lacy.

Row 3: Mr. Bellardini, coach, Winston Hill, Fred Lee, Douglas Campbell, Ralph Blencowe, Jon Grace, John Wylie, Loul Belcher, Brooks Bucher, Douglas Askins, James Rouse, William Scouten.

The track team had a winning season again this year, placing first in three meets and second in the other two meets.

In the counties, the team placed fourth; Jack Wylie placed in the 440 and went on to represent Post in the sectionals at Rochester.

There were a large number of trackmen lost this year, but with the determination of the members to win, coupled with the aid of some new talent, another good season is in sight.

This year at the county track meet, two cups are expected to be given away instead of one. One cup will be for "A" league teams and the other for "B" league teams. This will give us a much better chance of bringing home an award since the competitors will be more evenly matched.

BOWLING

- Row 1: Gordon Mallett, Joel Sundquist, Robin Warden, Fay Frost, Bill Kozlik, John Murray, Charles Nitsche, Dan Coats.
- Row 2: Brenton Bradly, Dick Corson, Brian Rose, Gordon Dennis, Jeff Shopoff, Art Worster, Anthony Lupino, Jim Rose, George Randels, Chuck Wylie.
- Row 3: Jude Nitsche, John Zimmers, Kent Tiffany, John Innes, Allen Besley, Ken Beckhorn, Paul McNulty, David Stenger, Mr. Parks.
- Row 4: Brooks Bucher, Bill Johnson, Douglas Campbell, Tom Erwin, Dale Wolfe, Dick Knapp, Winston Hill.

This year approximately thirty-five boys participated in boy's bowling under the guidance of Mr. Park. It was the first year that the boys bowled at the Corning Bowl. Top bowler this year was Winston Hill.

In the Steuben County Tournament, we were represented by Jude Nitsche, Bill Johnson, Gordon Mallett, Gordon Dennis, George Randels, Brian Rose, Winston Hill and Dan Coats. The tournament took place at the Seneca Lanes in Hornell where we placed second in doubles, third in the five-man team and fourth in the single.

With the loss of only one of the high eight bowlers, next season should be just as successful.

G.A.A.

The first meeting of the G.A.A. was held to elect officers and to talk over the plans for the coming year. Officers elected at that meeting were: president, Ursula Schulz; vice-president, Ruth Corson; and secretary-treasurer, Kathy Parker.

The G.A.A. has charge of the girl's intramural sports such as basketball, soccer, baseball, volleyball and tennis, held during the lunch hour. Besides these other sports, bowling was held at the Ingersoll-Rand alleys. For the first time, the G.A.A. had a swimming program at the Corning Glass Works pool.

There were several money-raising projects such as bake sales and dances held during the year.

The purpose of this club is to promote good sportsmanship among the girls and to provide a better understanding of sports.

Row 1: Nancy Sarett, Ruth Corson, Ursula Schulz, Kathy Parker, Margaret Walton.

Row 2: Karen Schweitzer, Joan Hadlock, Carol Swan, Cora Woodhouse.

VARSITY CHEERLEADERS

Row 1: Sylvia Wilder, Joan Hadlock.

Row 2: Judy Randels, Carol Ann Carpenter, Mary Lou McChesney, Ursula Schulz, Donna Jones, Susan Dalrymple.

This year the varsity cheerleaders did a very good job cheering at the football and basketball games, leading the student body and keeping up the spirit of the team. The squad was made up of eight new girls, six of whom were on Jayvees last year and two who had never been on before. The girls who moved up from Jayvees are: seniors; Judy Randels, Donna Jones, Ursula Schulz, and Joan Hadlock, who is Captain of the squad; Susan Dalrymple and Carol Ann Carpenter are juniors. The new girls are Mary Lou McChesney and Sylvia Wilder.

Some of the activities of the girls were: selling programs at the football games, sponsoring dances after the games, selling basketball pencils, and having a tea for the cheerleaders of the other local schools.

The only new cheer the girls had this year was the "Thank You".

Heap big pow wow
Thanks for the cheer —

Are glad to be here!

JAYVEE CHEERLEADERS

Row 1: Patricia Childs, Shirley Halm, Sandra Truesdell.

Row 2: Cheryl Burr, Virginia Holderbach, Donnalynn Clark, Carol McChesney, Ruth Corson.

The Jayvee Cheerleaders have done a swell job this year cheering at their games. This squad had only one hold-over from last year who was Ginny Holderbach, a senior and captain of the squad. Carol McChesney, co-captain, is also a senior. Other members are: sophomores, Cheryl Burr, Pat Childs, Shirley Halm, and juniors, Sandy Truesdale, Ruth Corson, and Donna Lynn Clark.

The Jayvees again this year had the opportunity to cheer at the "Jug" game and also with the Varsity Cheerleaders at halftimes of the home games.

VOLLEYBALL

Row 1: David Crowl, Charles Loudenslager, Richard Corson, Roger Cole, Gary Welty, James Wilson, Ernest Schooley.

Row 2: Maynard Cornell, Steven Jenks, Robin Elder, Walter Grace, Gregg Lacy, Robert Mathews, David Sherwood, John Watson, Fred Lee.

Row 3: Coach Bellardini, Joe Koslik, Frank Covey, Robert Towner, Clinton Gurnsey, John Randall, Dale Wolfe, Richard Knapp.

Mr. Park: "Good! You are the group to whom I wish to speak. There is no twenty-first chapter."

Brooks Bucher had been vaccinated and the doctor started to put on the bandage.

Brooks asked him to put it on the other arm.

"But," said the doctor, "this should be on the sore arm, so the the boys at school won't hit it."

"Put it on the other arm," Brooks insisted. "You don't know those boys."

GAS SERVES YOU—AND THE COMMUNITY, TOO!

It takes an experienced, capable team at your gas company to provide you and your community with the better living benefits of dependable gas service.

Typists, clerks, meter readers engineers, to name a few — make up the team that helps you with the many jobs that only gas can do so well.

Working together in the best tradition of American initiative and enterprize, your gas company team brings you the best possible gas service at the lowest cost — and still earns a reasonable return on the investment required to furnish that service 24 hours a day, the year around.

That's the service pledge of your privately owned tax-paying gas company and its employee team to you and the community it serves.

Susan Dalrymple owns a scrappy mongrel named Debbie who frequently picks fights with bigger dogs and usually suffers the consequences. Once when Susan was chatting with a friend on the front lawn, Debbie came home through the gate, obviously having come off second best in a scrap.

"I see your dog is a poor fighter," said her friend.

No she is a very good fighter," Susan replied. "But just a terrible judge of dogs."

A GOOD THOUGHT:

If there is righteousness in the heart, there will be beauty in the character. If there is beauty in the character, there will be harmony in the home. If there is harmony in the home, there will be order in the nation. When there is order in the nation, there will be peace in the world.

Hi Toot

Boy, oh boy
the last day of
school finally came. WOW!!!
what a day. Remember our
good times when we went ice skating (swimming). And the ice shatter
party that little "Old Greddy" pulled
us around the pond. Boy what a time. My
neck almost came off the way he pulled by
scarf.

Toot,

A member Elsie!
